**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T's 1982 antitrust suit helped consumers. For the past 36 years, the company has amassed an unprecedented stable of assets to form what is now the largest media conglomerate in the world. I have no interest in doing business with such a large company. I like doing business with a local company like Sonic, reinvesting in the community and being a part of something that matters to me. It's obscene to think ATT can cut off Sonic as a competitor in the manner in which it seeks. If allowed to do so, another wave of antitrust litigation is sure to ensue. I fully support Sonic in their effort to keep ATT from compromising their ability to serve their customers. I will be livid if my options are cut and met with increased pricing. That's simply not the American way. Thanks for your time.
